

HMRRC Youth Grant Application

Program Description

The Hudson Mohawk Road Runners Club (HMRRC) Youth Grant Program offers grants of up to \$1,000 to qualifying organizations that advance running among young people (ages 8-16) within New York's Capital District. The purpose of the grants is to encourage and support running-related activities for local youth and to promote a healthy lifestyle.

Qualifying Organizations

Organizations applying for grants must satisfy the following criteria: (1) they must be affiliated with a recognized community organization like a school, existing youth group, etc., or must have an established program (i.e., one that has been active for at least 2 years); (2) they must be generally open to young people in their area. High school teams or teams whose membership is by invitation only are not eligible; and (3) they must complete the application and respond to any follow-up requests for information by the HMRRC Grant Committee.

Grant Applications

The HMRRC Grant Committee will award grants for Spring/Summer and Fall/Winter programs. Applications for the Spring/Summer grants must be received by March 1. Applications for Fall/Winter programs must be received by September 1.

Award Guidelines

Applications will be reviewed by a committee of HMRRC members. The following factors will be considered: organization history; purpose for which grant will be used; committee members experience with the organization; special benefit to HMRRC members (not required). The Grant Committee may take other factors into account.
