**Sunday, Oct. 2, 2016

It is a good final tune-up run before the Club Marathon and Half-Marathon with some fun, rolling hills, country roads, and tasty age group awards. The race is also an HMRRRC Grand Prix event for under 40 year olds.

The race starts at Wallace Park (Town of New Scotland) on Swift Road in Voorheesville. *It is day of race sign-up only* and \$8 for HMRRRC members (\$10 for non-members). The awards are delicious apple pies for 1st male and female overall, top town resident for male and female, and then top finisher in ten year age groups from under 20 through over 70 age groups. Light snacks available afterwards including local apples, cider and cookies.
